

**Workshop: “Internationalization: strategic vision for a University of Excellence”.  
Universidad de Holguín, April 2019.**

On April 26, 2019 was held the workshop: “Internationalization: strategic vision for a University of Excellence” at the Santa Cecilia Convention Center of the City of Camagüey.

This workshop presented the strategic internationalization plan resulting from the Forint project. Delegates worked on the action plan at the department, management and faculty level to comply with the strategic planning in each of their objectives.

The parties involved in this activity were: Vice-Rector for Research and Postgraduate, Vice-Rector for University Extension, International Relations Directorate, Communication Directorate, Sports, Culture and Recreation Directorate, Science, Technology and Innovation Directorate, Postgraduate Directorate, Department of Foreign Scholars, Project Department, Office of Innovation Management, representatives of faculties and university community in general.

As a result of this workshop and the strategic planning of the objectives, three more activities were developed:

- Quality Academic Processes in line with international standards
- Internationalized University in all its academic processes.
- Sustainable Self-financing
