

Conference: "Critical theories of intercultural communication". January 17, 2019.
Universidad Central de las Villas (UCLV)

Dr. Philippe Humble of the Free University of Brussels (VUB) gave the lecture "Critical theories of intercultural communication". This conference was held at the Faculty of Humanities of the UCLV and it was included in the process of internationalization of the University. To this conference not only students but also representatives of the faculty were invited.

Prof. Dr. Philippe Humblé studied Romance Philology at KU Leuven and has a Ph.D. in bilingual lexicography (Federal University of Santa Catarina / University of Birmingham). For 25 years, he taught Spanish, culture and literature, bilingual lexicography and literary translation at the Federal University of Santa Catarina (Brazil).
